LUXURY

COLLECTION

Homes designed for life

Building with Rawson Homes means building a home fit for your unique lifestyle, and for over 40 years, we've continuously refined our process and expanded our home design range. One thing that hasn't changed is our commitment to quality, from the big picture through to the finishing touches.

We take pride in ensuring that every corner of your home is fitted out and furnished with the utmost care and attention to detail. That's why we've partnered with only the best suppliers, to ensure that whichever Rawson home you choose is finished with quality inclusions throughout.

Our Luxury collection transforms our Classic inclusions into comfortable and stylish features. Bringing together our most popular upgrades, these packages mean you can give your home a luxe feel at an affordable price.

We're confident you'll love our Luxury collection, but the ultimate personal touch can really make your house a home. Take the next step towards personalising your space and upgrade to our Prestige collection.

You can find out a little more about our range of collections on the next two pages.

Make it MyHome

We've made building your home even easier with our new three-step guide. It's a simple process that helps you quickly determine the home you want, the style you like and the features you can't live without.

MyHome

CHOOSE YOUR HOME

Choosing the home you want comes down to your taste. We've got a range of home designs to suit everyone's style. Choose from over 150 innovative and award-winning single and double storey homes, with customisable floor plans to suit you and your families needs.

MyCollection

CHOOSE YOUR COLLECTION

We've broken our range into three collections; the Classic collection, the Luxury collection and the Prestige collection. No matter what collection you choose, you're getting the Rawson Homes standard of excellence.

MyCustomisation

CHOOSE YOUR UPGRADES

We know that when it comes to the home, we all have our own requirements. That's why we've introduced our personalise-your-home feature, that lets you upgrade individual parts of the house to suit your needs.

Every style, every budget

We understand that everyone is different. That's why our home designs provide more flexibility to design your home exactly how you want it. From the choice of home to the collection package and the tailored finishes – it's your home, designed by you, from the ground up.

The Rawson Homes Classic collection is everything you love about a Rawson Home, ready to go. It's the budget-friendly solution that doesn't compromise on quality.

With this collection, you can upgrade any space within your home to the Luxury or Prestige collections.

The Rawson Homes Luxury collection brings another level of living to the home. It's our most popular upgrades bundled up in a value-packed offering.

And for those that want to add even more to their home, you can upgrade to the Prestige collection or choose individual upgrades.

For the ultimate finish, the Rawson Homes Prestige collection allows you to add that extra opulence to your home. It's everything you get in the Luxury collection with additional upgrades and features.

Kitchen Inclusions

Builder Inclusions

The quality inclusions within your Rawson home make life that much more comfortable, but it's also important to include features that give your home a solid foundation. We've got the essentials covered.

FRAME

- A High quality termite treated frame.
 - 450mm eaves to roof line (where applicable).
 - 90mm external and internal stud frames to ground and first floor.
 - 300mm engineered joist system to first floor (if applicable).

WINDOWS AND DOORS

A Aluminium windows and sliding doors in manufacturer’s standard colour range, including security-keyed windows and door locks with obscure glass to bathrooms, ensuite and powder room (excludes flyscreens).

ALFRESCO SLAB

Engineer designed concrete slab to porch / patio. Porch and alfresco includes broom-finished concrete slab, brick piers and roof cover.

Note: These slabs are not classified as a “finished” surface. Rawson Homes recommends that these slabs are tiled (not included in standard specification).

EXTERNAL TAP

One external tap included.

FASCIA AND GUTTER

B COLORBOND® fascia and gutter with painted PVC downpipes or Colorbond® downpipes where the rainwater tank is not required.

GAS CONNECTIONS

Gas service connection from front boundary to house, including provision for hot water system, cooktop and internal heating point (if applicable).

HOT WATER SYSTEM

Rheem® Metro 6 star continuous 26L gas recessed hot water system (Model: 876T26NF NAT / 876T26PF LPG).

TERMITE TREATMENT

Rentokil Homeguard Red termite protection to pipe penetrations and perimeter cavity with 25 year warranty and \$1,000,000 insurance cover.

SERVICE CONNECTIONS

Service connections including: power, phone, water, sewer, gas and stormwater (based on a standard residential block).

CONCRETE SLAB

Engineer designed concrete slab to suit ‘M’ soil classification at 20Mpa.

W. H & S

Heavy duty scaffold to perimeter of house (for double storey homes).
Safety rail to perimeter of roof.
Safety rail to perimeter of first floor.
Stair void protection.

These Essentials incorporate all the mandatory state, council and legislative fees you are required to pay including site costs like standard excavation and piercing. These items are dependent on the council area you are building in and the land that you are building on, they include:

SITE PREPARATION

This includes the costs for standard even cut and fill excavation to provide a level platform for the slab and standard piercing up to 1.5m to support the concrete slab (subject to structural engineer design).

AUTHORITY AND COUNCIL

Included here are council fees, home owners warranty insurance, stamp duty on insurance, private certification services and a water service fee.

BASIX / EERS

BASIX assessment and report (NSW) or EERS / NatHERS report (ACT).
3000L Rainwater tank including connection, concrete pad, rough in and plumbing points (4000L tank for ACT).
Sarking to external walls.

Energy Inclusions

Take control of your power bills with top-notch energy solutions. Save money – and know you are being kind to the environment with eco-friendly solar power technology.
